

CHANGE OF DETAILS FORM

Ownership Prizemoney Payments Only

If you manage more than one horse please list each and every horse as the Registrar of Racehorses records the details of each horse separately. **Changing the details for one horse does not change the details for all of your horses.**

Prizemoney payments are made by direct deposit every Thursday evening for the week prior (Monday to Sunday). Monies electronically transferred on a Thursday evening can be accessed from your bank account on Friday morning unless the gross prizemoney is in excess of \$50,000 gross where if a SWAB has been taken the money will be held until the SWAB is cleared. QRL does not pay by cheque.

All changes should be made to your horse before you make any subsequent nominations. This allows sufficient time for the information to be updated on Queensland Racing and interstate databases.

IMPORTANT INFORMATION:

The manager of the horse is the only authorised person to change bank details using this form. **If you need to amend the GST** status of any owner or if the manager is unavailable, please contact the Prizemoney team on (07) 3869 9700 to obtain a replacement form.
