

Levels of media accreditation

Queensland Racing enforces the following zoning systems for the different levels of media accreditation.

Queensland Racing determines the level of media accreditation on receiving a completed application.

Level 1:

Access is granted to the following areas of the track with a Level 1 pass:

General admission **including** -

- Saddling enclosure
- Steward's room
- Scales area

Level 2:

Access is granted to the following areas of the track with a Level 2 pass:

General admission **excluding** -

- Saddling enclosure
- Steward's room
- Scales area

Visiting media:

Visiting media are granted the following areas for the duration of a specified carnival/meeting:

General admission **including** -

- Saddling enclosure
- Steward's room
- Scales area

Media are **excluded** from the Jockey's room unless permission from the Chief Steward.
